This ambitious yet nurturing prep has 'exceeded all our expectations', according to one delighted parent. As for Suzy Dixon, she's 'everything you could want in a head' and she has 'worked tirelessly' to ensure the move from Sloane Square to Manresa Road has been seamless. (In September 2024, the school relocated to new premises in the leafy heart of Chelsea, doubling its space and, crucially, enabling it to extend its award-winning education to at least 100 more girls.) These children are encouraged to be curious; and the curriculum is broad and exciting, underpinned by 89 clubs that embrace everything from debating and finance to fencing and cookery. With nearly 80 per cent of the intake moving up to the Francis Holland Seniors, pupils can make a smooth transition into two of London's most sought-after all-girls institutions, while other popular destinations include Putney High, St Paul's Girls and St Mary's Ascot.
